

## NET Licence and Fee Structure: 01 April 2023 - 31 March 2024

### Recommended Price for Assessments

**NB: AM2S/AM2E fees relate to current versions. Details for revised assessments following the review of the apprenticeship standard and Domestic Electrician to be advised separately**

Item	Fee to March 2023	Fee from April 2023
AM2	£765	£800
AM2S/AM2E	£820	£865

### Resit Fees: AM2 /AM2S/AM2E

Sections A1, B, C, D, E:

Section	Fee to March 2023 (per section)	Fee from April 2023 (per section)
A1, C, E	£150	£170
B, D	£210	£235

Sections A2-A6:

Resit sections	Fee to March 2023	Fee from April 2023
Lighting circuit and Ring Final circuit (2.25hrs)	1 section £195	1 section £220
SWA and Motor circuit (2.25hrs)	2 sections £310	2 sections £345
Central Heating (2hrs)	3 sections £375	3 sections £410
Bonding, Data and safety circuit FP200 (2hrs)	4 sections £455	4 sections £490
Containment AM2S/E only (1.5hrs)	5 sections £505	5 sections £540

**Note:** Only centres specifically licensed to deliver AM2S/AM2E will be able to offer this assessment.

### AM2E Supplementary Units

	Fee to March 2023 (inclusive of NET fee)	Fee from April 2023 (inclusive of NET fee)	NET Processing Fee
AM2EU1 Containment and Safe Isolation	£280	£310	£135
AM2EU2 Testing and Safe Isolation	£280	£310	£135
Resits	£240	£265	£110

**Note:** Initial sittings of AM2E supplementary units entail a higher NET processing fee due to additional administration and certification costs.

## Licence and Associated Fees

Item	Fee to March 2023	Fee from April 2023
Licence fee for first assessment	£3885 for the first installation bay and £1115 per additional installation bay.	£4125 for first installation bay and £1190 per additional installation bay.
Test fee (marking, certification and processing, payable on each sitting/resit of a test)*	£100 for first sitting and £65 per subsequent attempt	£110 for first sitting and £70 per subsequent attempt.

**Please Note:** Resit charges for each section take account of the additional resource for centres in scheduling ad hoc activity rather than entire assessments. If a candidate needs to re-sit multiple sections, the charge must not exceed the maximum recommended price for AM2, AM2S or AM2E.

*\*The recommended prices for assessment and re-sits take this test fee into account. It should not be charged as an additional fee to candidates.*

## Other Costs
